

# Glenn Cooper and Howard Soypher Chosen in Washingtonian Magazine's "Best Lawyers"

Glenn Cooper and Howard Soypher (former Principal) were each chosen among the Washington area's "Best Lawyers" in the December 2011 Washingtonian Magazine.

Both attorneys were named in the "Divorce Law" category; it was Glenn's fifth such honor and the third for Howard. Paley Rothman was one of very few firms in Bethesda to have multiple awardees in the particular practice group.
