

Jim Hammerschmidt Speaks in C4CM Audio Conference

Jim Hammerschmidt, a member of the firm's Employment Law, Litigation and Appellate Law practice groups, was the featured speaker in a C4CM (Center for Competitive Management) audio conference.

As the title of his presentation suggests ("How to Write Comprehensive, Compliant Inclement Weather Policies for Pay & Attendance"), he provided practical advice to employers on the topic, citing helpful examples and case studies.

Jim's blog post on the subject – "Snowpocalypse Changes Inclement Weather Policies" - can be found in our Employment Law Blogs section.
