

Paley Rothman Announces Diversity, Equity and Inclusion Training Completion with the Bar Foundation of Montgomery County

Paley Rothman is pleased to announce our graduating class of the Bar Foundation of Montgomery County's Diversity, Equality, and Inclusion Training Course.

After six months of intense but purposeful training, Paley Rothman's HR Director Mandi Baldwin, Senior Legal Assistant/Paralegal Brandon Hallmark, and Litigation Attorney Trish Weaver took a Diversity, Equality, and Inclusion Course with the Bar Association of Montgomery County.

Trish was also the 2022 Recipient of the Andre L. Sonner Diversity Award.

We are immensely proud of the dedication of these three Paley People and encourage others to Listen, Learn and Teach.
